

# Children Unplugged with Robbie Levy

A Health & Wellness Series

Monday, October 15, 7:00 PM – 8:00 PM

**How much technology is too much? Are you successfully balancing play time and screen time? Every parent faces these questions. In early childhood the balance is critical. Join Child Development specialist Robbie Levy, MA, OTR/L, owner of Dynamic Kids as she discusses practical solutions and guidelines. Discussion topics include: Why sensory and motor foundations are so important for children and how they impact learning and development; activities and programs that provide creativity and parent bonding.**
