Thursday, August 1, 2019

5:00 PM – 6:15 PM

Members: \$15 pp; Non-Members: \$18

Mind/Body Studio

### About this event:

Challenge Island is where engineering meets imagination, offering hands-on, project-based learning where participants cultivate 21st Century Skills.

**And Challenge Island is not just for kids! Join us for this multi-generational STEAM event - a perfect Family Night Out activity!**

Families will work in unified tribes (teams), taking on some of our most popular STEAM challenges centered around fun, family-friendly themes. Our party-like atmosphere will be felt throughout the evening, with a crescendo at the end when tribes proudly present their creations at the closing tribal council.

*Theme-based treats will be provided.*
