Donate a Device!

Collections begin Tuesday, October 6

We're teaming with the UJA and other local organizations to collect devices for seniors in need and for students who need a device to connect to their virtual classrooms. Now more than ever, we all need to be connected virtually—especially seniors who are isolated at home or children who are unable to afford a device. Without a device, these vital connections are impossible. So we're stepping in to help. If you have an extra device or would even like to purchase a new one, please donate it to someone in need. Click [here](#) for more information on devices and

details on collection times. Please note at this time they are looking for tablets and laptops, not phones. You must make arrangements in advance to drop off your device. Reach out to [Tali Strom](#) at the UJA Westchester with any questions or to arrange for a drop-off.
