Shabbat Shalom! Our phased in re-opening continues to evolve and this week we're happy to announce that **reservation spots in the Fitness Center will now be in 90-minute blocks beginning Monday, October 12** (with a deep 30-minute cleaning in between spots). Now everyone can get as complete as a workout they want! We're also **introducing Half Days, Flex Day, and extended Stay & Play hours to our Almost School program**. And don't forget, we are **now open Sundays**...have a great weekend!

Half-days, Flex Days, and added enrichment hours for Almost School

Rolling enrollment for School Days & Flex Days remains open; registration is open for Half Days and Stay & Play with the program beginning in November

As our Almost School childcare program for remote/hybrid learning grows, we are happy to be evolving it to fit the needs of the community. We're now adding a Half Day option for students who follow the AM/PM model; Flex Days for families who aren't signed up for a particular day but there is an unexpected school closure or life event; and Stay & Play added enrichment hours for afterschool activities. Almost

School provides a safe, comfortable, and supportive environment while children engage in their remote learning and offers the chance for students to socialize during recess and lunch with activities such as outdoor basketball, sidewalk chalk, soccer—or indoor safe, socially distanced games. Donate a Device!

Collections begin Tuesday, October 6

We're teaming with the UJA and other local organizations to collect devices for seniors in need and for students who need a device to connect to their virtual classrooms. Now more than ever, we all need to be connected virtually—especially seniors who are isolated at home or children who are unable to afford a device. Without a device, these vital connections are impossible. So we're stepping in to help. If you have an extra device or would even like to purchase a new one, please donate it to someone in need. Click

[here](#) for more information on devices and details on collection times. Please note at this time they are looking for tablets and laptops, not phones. You must make arrangements in advance to drop off your device. Reach out to [Tali Strom](#) at the UJA Westchester with any questions or to arrange for a drop-off.
