**Shabbat Shalom!** As we dug our cars out and plowed our parking lot, our minds immediately went to summer! Just in time too because Camp Twelve Trails registration opened this week. Kids will have the summer of their lives on the beautiful campgrounds in the woods (all day outside!). There will be plenty of safety protocols in place so be sure to read up on them (details below). And coming soon in January, plans for River Friends will also be released. Finally, if you're looking for things to do as a family over the next two weeks, we are opening more Family Swim and Family Basketball throughout the week! Have a great weekend everyone and stay warm and cozy.

Then, on MLK Day, we will gather on-line together, as a community, to pack our boxes and learn about social justice, Judaism, and Dr. King. More details to come!

#### **Camp 12 Trails Registration is open!**

Though the difficult decision to cancel camp in summer 2020 was made, we are happy to let our camp families know that the team at Camp 12 Trails has been working diligently to ensure camp runs for 2021 with proper COVID-19 safety protocols in place. Please check out the COVID-19 plans [here](#), which will be updated throughout the year as things evolve. Space will be very limited both at camp and on the buses this year, so please register early to secure your spot. In addition, a number of parent town halls will be hosted in the new year where all these new measures will be discussed and questions will be answered to the best of our abilities. And for our younger campers, plans for River Friends will be released in January. Stay tuned for details!
